Returns: Annuals are only accepted back for credit under the following conditions: (a) We receive prior written notice; (b) Returns are not in excess of 5% of your purchases; (c) Invoices are available as proof of purchase; (d) The goods are in resaleable 'mint' condition (unmarked, etc.). We accept no liability for any returns sent to us without prior acceptance. We reserve the right to accept or reject any request, and in the event of acceptance, we will credit your account with an amount equal to the purchase invoice less restocking fee.

This year, we are delighted that our annuals are being printed using **Green Power!**

95% of the electricity used comes from renewable sources, with our newly operational wind turbine in Castleisland generating the majority of our power.

We have also installed solar panels to complement our wind power, helping to provide renewable electricity on those days when the wind isn't blowing.
